EQUAL EMPLOYMENT OPPORTUNITY

In order to provide equal employment and advancement opportunities to all people, Pennsylvania Distance Learning Charter School (PDLCS or the School) bases its employment decisions on lawful factors, such as each person's performance and qualifications. PDLCS does not discriminate against applicants or employees with respect to race, color, religion, sex, national origin, age, disability, familial status, genetic information, sexual identity, ancestry or any other characteristic protected by law. This prohibition may include harassment based on any protected class or classes. Harassment may include verbal or physical conduct which has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile work environment. This policy applies to all employees, including managers, supervisors, co-workers and non-employees such as customers, clients, business partners and consultants.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with disabilities, the Employer will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee unless undue hardship or a direct threat of substantial harm to the health or safety of the individual or other that cannot be eliminated or reduced by reasonable accommodation would result.

Any applicant or employee who requires an accommodation in order to perform the essential functions of the job they hold or desire should contact the human resources coordinator and request such an accommodation. If the requested accommodation is reasonable and will not impose an undue hardship or a direct threat of substantial harm to the health or safety of the individual or others that cannot be eliminated or reduced by reasonable accommodation, the Employer will make the accommodation in accordance with applicable law.

The Employer may propose an alternative to the requested accommodation or substitute one reasonable accommodation for another. The Employer retains the ultimate discretion to choose between reasonable accommodations. Employees are expected to cooperate fully with the accommodation process.

Direct any questions about discrimination at work, or information about possible violations of this policy to School Administrators. There will be no consequences for asking questions. Any employee found to be illegally discriminating against an individual or individuals will be subject to disciplinary action, up to and including termination of employment.

NATURE OF EMPLOYMENT

Working at PDLCS is voluntary and employment is "at will." "At will" means that employees are free to resign at any time, with or without cause or advance notice. Likewise, "at will" means that PDLCS may terminate employment at any time, with or without cause or advance notice. The "at-will" nature of an employee's employment cannot be altered or modified by a School

Administrator or other PDLCS representative; rather, when PDLCS seeks to alter "at-will" employment, it does so through a written agreement specifically guaranteeing employment consistent with terms approved in writing by the Chief Executive Officer or authorized designee.

The policies in this Handbook are not intended to create a contract. The policies should not be construed to constitute contractual obligations of any kind or a contract of employment between PDLCS and any employee. The provisions in the Handbook have been developed at the discretion of School Administration and may be amended or cancelled at any time, at the sole discretion of PDLCS.

These provisions replace all other existing handbooks and may not be changed or added to without the express written approval of the Chief Executive Officer of PDLCS and its Board of Trustees.

CLEARANCES/CERTIFICATIONS

All PDLCS employees are required to have all clearances required by the Commonwealth of Pennsylvania including Act 34, Act 151, Act 168, and FBI Fingerprint.

Every employee is required to obtain a Child Abuse History Clearance and Criminal Background Check as stipulated under PA Act 151, PA Act 34, Act 168 and FBI fingerprint verification. These documents must be kept on file in the employee's personnel file and must be kept current. No employee will be permitted to work without these clearances. Employees are responsible for providing the HR Coordinator with updated clearances every five (5) years.

Acceptable Use of Electronic Information Resources

The Employer's Technology & Internet Acceptable Usage Policy governs employees' use of Employer-owned resources such as internet, intranet, e-mail, software, social media, computers, phones or other devices, voicemail, printers and electronic equipment. A copy of the [Technology & Internet Acceptable Usage Policy](#) is attached at Appendix B.

EMPLOYMENT APPLICATION

PDLCS relies upon the accuracy of information contained in the employment application, as well as other data represented throughout the hiring process and employment. Any misrepresentations, falsifications or material omissions in any of this information or data may result in PDLCS's exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment.

All individuals employed at PDLCS are also expected to comply with the employment eligibility verification requirements of the U.S. Department of Justice. All workers must produce the appropriate identification documents and complete a Form I-9 at the time of hire.

Job Descriptions

It is the policy of the School to have written job descriptions for each position within the School. The job description includes the essential functions of the job, other job-related duties, problem solving/analysis requirements, education level, experience, and other skills and abilities.

PDLCS reserves the right to assign employees their work hours, job duties, including temporary relief or emergency work, and to assign employees to other work situations or positions.

Employees must perform their work assignments according to the standards established.

Should the need arise to create a new position or modify an existing position, a job analysis will be conducted, followed by a newly created or modified job description describing the new position. This will be completed prior to any posting or advertising for the newly created or modified position.

Evaluation of Employees

Evaluation is a continuing process in which the administrative, professional and support employees and the respective supervisors cooperatively identify strengths and weaknesses in an individual's job performance. Employee evaluations shall be used to assess and improve performance, encourage professional growth, promote positive behavior, and facilitate attainment of School goals and objectives.

Employees who receive an overall performance rating of “needs improvement” or “failing” may be required to participate in a Performance Improvement Plan.

ETHICS AND CONDUCT POLICY

Employees of PDLCS are expected to be ethical in their conduct. Employee conduct impacts the School's reputation and success. PDLCS requires employees to obey and comply with all laws and regulations and practice the highest standards of conduct and personal integrity. Ethics in the educational work space is addressed in the [Pennsylvania Code of Professional Practice and Conduct](#) and the [Professional Educator Discipline Act](#) administered by the Professional Standards and Practices Commission.

The following are some examples of the kind of conduct that would warrant discipline, up to and including termination:

- Insubordination – refusal to comply with instructions of a supervisor;
- Falsifying an application for employment, time sheets or other work records;
- Malicious damage to School property;
- Theft or inappropriate removal or possession of property;
- Use of obscene, abusive or threatening language;
- Unsatisfactory performance;
- Unsafe acts;
- Excessive absenteeism or tardiness;

- Fighting;
- Refusal to work overtime when required; and
- Violation of any policy set forth in this Employee Handbook.

No Discrimination, Harassment and Retaliation

Federal and State laws prohibit discrimination based on race, color, religion, sex, national origin, sex, age, disability, pregnancy, genetic information, as well as other legally protected characteristics. Unlawful discrimination on the job, including harassment, is prohibited by PDLCS. For purposes of this policy, “harassment” can include, but is not limited to:

- derogatory remarks, epithets, offensive jokes, or the display or circulation of offensive printed or visual matter;
- offensive physical contact, impeding or blocking movement, and gestures or any physical interference with normal work or movement; and/or
- Visual forms, such as derogatory posters, letters, poems, graffiti, cartoons, or drawings.

Harassment also can include unwelcome and unwanted sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when:

- submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment;
- submission to, or rejection of, such conduct by an individual is used or is threatened to be used, as the basis for employment decisions affecting such an individual; or
- Such conduct has the purpose or effect of interfering with any individual’s work performance or creating an intimidating, hostile or offensive working environment.

The prohibition against discrimination and harassment is applicable to all employees of PDLCS, which includes all staff members, teachers, administrators, managers and officers.

Title IX of the Education Amendments of 1972, 20 U.S.C. §1681 *et seq.*, protects students from discrimination based on sex in educational programs or activities that receive Federal financial assistance. Title IX states that:

No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by a recipient, which receives Federal financial assistance.

Refer to the PA Distance Learning Charter School Board of Trustees Title IX policy, for more information and guidance. This policy covers student on student as well as employee on student

sexual harassment.

Federal and State laws also prohibit retaliation based on an employee's protected activity, including making complaints about unlawful harassment or participating in an investigation into allegations of prohibited harassment. PDLCS also prohibits such unlawful retaliation against its employees. No employee will be retaliated against for good-faith reporting of any suspected policy violation.

Employees Must Report Discrimination, Harassment and Retaliation

It is important that every employee who believes they have been subjected to unlawful discrimination, including harassment, or retaliation report it to allow School Administration the opportunity to investigate the situation and take appropriate action. If any violation of above policy occurs, it will be a priority for School Administration to evaluate the issue and take the appropriate action necessary for resolution. It takes the complete cooperation of the entire staff for PDLCS to enforce this Discrimination, Harassment and Retaliation Policy.

If an employee feels that they have been disrespected, discriminated against or harassed in any way, it is generally best to tell the person exhibiting such behavior that you find the behavior offensive, that such behavior is against PDLCS's policy, and that the employee wants them to immediately stop. However, if the employee is uncomfortable taking this action, if the conduct does not stop after the employee has warned the offending person, or if an employee has observed discrimination, harassment or retaliation, the employee, must report it to their department supervisor. If the employee is unable, or does not wish to report the matter to the department supervisor for any reason, they should report it to the Chief Executive Officer or other School Administrator. The report will be kept confidential to the extent practicable and as necessary to complete the investigation. In order to assure that the facts are accurately understood by the person receiving the report, the Principal, Chief Executive Officer or other School Administrator will put it in written form. The Complainant will generally be asked to acknowledge the accuracy of the facts or to correct the statement to accurately describe the complaint. The steps to be taken during the investigation cannot be fixed in advance, but will vary depending on the nature of the allegations.

Depending on the investigation, failure to report such behavior or situations may result in consequences ranging from a permanent letter in your employee record to legal action. Any employee who fails to cooperate fully in an investigation may be subject to discipline, up to and including termination.

Resolution of Complaints

The results of the investigation will be discussed with the complaining employee. If it is determined that there has been discrimination, harassment or retaliation, the Chief Executive Officer, Principal or other School Administrator will discuss the procedure for resolving the complaint with the employee.

If there is a situation in which an employee believes that they are being physically threatened, it should be reported to the nearest School Administrator and temporary protection against the harassment or hostility will be provided.

Employee Conduct and Work Rules

School Administration expects employees to follow certain work rules and behave in ways that protect the interests and safety of all employees and PDLCS.

While it is impossible to list every action that is unacceptable conduct, the following lists some examples. Employees who break work rules such as these may be subject to disciplinary action, up to and including termination of employment. This list is not exhaustive; it is only meant to be a guide:

- Theft or inappropriate removal or possession of property
- Falsification of timekeeping records or other forms of time theft including punching in prior to arriving to work
- Punching in/out for another employee
- Not punching in/out when required
- Habitual tardiness
- Not following documented Human Resources Standard Operating Procedures (SOPs)

- Unauthorized absence from work station during the workday
- Unauthorized use of telephones, mail system, or other employer-owned equipment
- Unauthorized disclosure of confidential information as defined below

When a staff member's actions or inaction is in conflict with the expectations of the school, a documented discussion, improvement plan or termination may occur. The School may discipline or terminate an employee based upon the seriousness of the behavior. Please refer to [*PDLCS' Employee Discipline Procedure*](#) for further guidance and information.

NON-DISCLOSURE/CONFIDENTIALITY POLICY

It is very important to the School that employees protect confidential school-related information. Any product designed and created for PDLCS by an employee remains the sole property of PDLCS and may only be used elsewhere with appropriate citation or origin. Confidential

information includes the School's non-public business information that provides the School with a competitive advantage or constitutes personal information under data security laws, which are not limited to the following specific examples:

- Computer Processes
- Computer Programs and Codes
- Legal Information, such as attorney-client privilege discussion
- New Materials Research
- Pending Projects and Proposals
- Research and Development Strategies
- Scientific Data
- Social Security Numbers
- Student Information
- Technology Data
- Internal communications and correspondence
- Standard Operating Procedures

An employee improperly using or disclosing confidential school information will be subject to disciplinary action, up to and including termination of employment and legal action. This provision applies even if disclosure or use of the confidential information does not benefit the employee in any manner.

OPEN COMMUNICATIONS/COMPLAINT POLICY

General Overview

PDLCS is committed to providing an outstanding educational value to Pennsylvania students. As part of this commitment, the School has developed this *Open Communications/Complaint Policy* to manage and resolve complaints and to document situations providing input for possible school improvement.

PDLCS also believes in, supports and fosters open communication with its employees. Employees are encouraged to bring issues of concern or suggestions to the attention of their supervisor or any School Administrator on a regular basis. We believe that through this open dialogue, problems can be resolved at an early stage before they become an obstacle to an effective business environment. By working together directly, we can achieve a productive, positive environment that benefits everyone.

To the extent that an employee desires to utilize the formal complaint process, the employee should indicate their desire so the issue is documented in accordance with the process identified below. Further as discussed and defined below, any whistleblower complaint must be brought to the attention of a School Administrator, and employees are required to indicate that such issue is being raised as an Official Complaint. By communicating it as an Official Complaint, it prevents ambiguity as to the employee's view of the seriousness of the issue being reported.

Complaint System

The School shall develop and maintain a complaint system, such as a database for data management, to meet the requirements of the policy. It is the responsibility of School Administration to maintain this policy and the associated systems.

Complaint – Definitions

A Complaint is a comment from a student, parent, teacher, administrator, or supplier that suggests a need for improvement by PDLCS with regard to a specific situation, circumstance or policy. An Originator is the issuer of the notice of complaint.

The School encourages comments and suggestions and takes negative complaints very seriously; however, the School does not encourage excessive use of complaints to push an individual agenda or for any other reason than bringing issues to light that can help to improve the School.

A complaint can be filed as an Official Complaint; this means the Originator requests a formal review and response. Official Complaints will generally be given priority and addressed on an accelerated basis to the extent possible. For example, communications about the need for improvement or issues with any of the following will generally be treated as "Official Complaints":

- Theft.
- Improper deductions from employee wages or payment of employees.
- Financial reporting which is fraudulent, intentionally misleading or negligent in any manner.
- Improper or undocumented financial transactions.
- Forgery or alteration of documents.
- Unauthorized alteration or manipulation of computer files.
- Improper destruction of records.
- Improper punching in/out, and /or time theft
- Improper access or use of confidential information.
- Authorizing or receiving compensation for goods not received or services not performed.
- Violations of the Board's Conflict-of-Interest Policy.
- Any other improper occurrence regarding cash, financial procedures, or reporting.
- Any abuse of or discrimination against a school employee, client, vendor, or person connected with the School.
- Any crime, including those defined by the Pennsylvania Drug Device and Cosmetic Act and/or the Pennsylvania Crime Code, or federal criminal statute.

Complaint Recording & Documentation – Confidentiality

All Complaints must be recorded in the School's complaint system by a designated member of the School Administration (Complaint Administrator), including parameters such as nature of the Complaint, Originator, date filed, status, and employee appointed to investigate/resolve the Complaint. One or more employees will be designated as responsible for maintaining the data in the system.

Access to this system will be on a need-to-know basis as determined by the School Administration. Once filed, a School Administrator will be named as the Complaint Manager,

who will be responsible for further investigation and resolution of the Complaint. The Complaint will continue to be listed as “active” in the complaint system until satisfactorily resolved, as determined by School Administration, at which time the Complaint will be classified as “closed.”

School Administration will use their best judgment to determine how best to report the Complaint to the Originator and others affected by the Complaint, subject to the Originator’s rights to naming a Complaint as an Official Complaint. It is expected that in certain cases, the recording of the Complaint will be sent to the Originator and any others involved even if it is not an Official Complaint, to ensure accurate recording, with the Originator then being obligated to offer remarks to correct the filed Complaint. Any parties named in the Complaint will also be obligated to respond to the complaint file, in care of the Complaint Manager.

The Complaint Originator and any parties named in the Complaint shall have the right at any time to request the current status of an Official Complaint, and the Complaint Administrator will then be obligated to respond in writing, in a timely fashion.

Complaint Confidentiality

The Complaint Manager and Complaint Administrator are obligated to keep the details of the Complaint confidential to the extent practicable to review and investigate the Complaint, and to identify information to those affected or named in the Complaint, generally in connection with the investigation and resolution.

Complaint Review and Resolution

The Complaint Manager will use their best efforts, in a professional and unemotional manner, to investigate the situation of the Complaint and to resolve any related issues. Once so resolved, the details of the resolution act will be recorded in the Complaint System, and written conclusion will be sent to the Originator and any involved named parties.

Complaint Appeal

The Complaint Originator or any named involved party has the right to appeal the resolution of the Complaint Manager, in which case the Complaint Manager must name an Alternate Complaint Manager to review the case and confirm or revise the previous resolution. The Alternate Complaint Administrator should, unless prevented due to circumstance, be a supervisor of the Complaint Administrator. However, the School Administrator has the right to define a Complaint or an appeal as frivolous, and thus immediately close the Complaint.

Any Complaints relating to ethics or the proper action of the School Administrator should be discussed with the School’s Board of Trustees President.

Review and Reporting

Complaint file status and resolution are to be reported to the Board of Trustees at regular intervals, with information reported to include data such as number of active complaints, number of complaints received in the period, number of complaints resolved in the period, number of latent complaints, and specific information of any particular complaints that the Complaint Administrator feels should be reviewed at the Board level, keeping in mind that such

specifics may not be appropriate for a public meeting such as a Board meeting and that it may be more appropriate for Board review under an Executive Session.

Mandated Child Reporting

Additionally, if any employee believes or suspects there to be an issue concerning the health, safety or welfare of a student in accordance with 23 Pa.Code § 6311, Subchapter B Provisions and Responsibilities for Reporting Suspected Child Abuse, the employee must immediately report the concern to Child Line 800-932-0313. Only after the employee makes the report to Child Line may the employee report an Official Complaint to an Administrator.

All employees of PDLCS must complete *PDLCS' Mandated Reporter Training* every five years. If a new employee has not completed the training within the past 5 years, employee will be required to take the training as part of on-boarding.

Whistleblower Encouragement and Protection

PDLCS is committed to facilitating open and honest communications relevant to its governance, finances and compliance with all applicable laws and regulations. Employees and representatives must practice honesty and integrity in fulfilling responsibilities. Employees who, in good faith, report to School Administration or cooperate in investigation of suspected waste or wrongdoing shall not be subject to discrimination or other adverse employment consequences.

The *Whistleblower Law* provides protection for employees against being discharged or discriminated against by reason of the employee filing good faith reports with an employer of suspected waste or wrongdoing or cooperating in the investigation of such reports.

Definitions include:

Good faith report: A report of conduct defined as wrongdoing or waste which is made without malice or consideration of personal benefit and which the person making the report has reasonable cause to believe is true.

Waste: Conduct or omissions which result in substantial abuse, misuse, destruction or loss of funds or resources belonging to or derived from Commonwealth or political subdivision sources.

Whistleblower: A person who witnesses or has evidence of wrongdoing or waste while employed and who makes a good faith report of the wrongdoing or waste, verbally or in writing, to School Administration, to an agent of the School, or to an appropriate authority.

Wrongdoing: A violation which is not of a merely technical or minimal nature of a federal or state statute or regulation, or a political subdivision ordinance or regulation, or of a code of ethics designed to protect the interest of the public or the School.

Protection of Employees: No employee may be discharged, threatened or otherwise discriminated or retaliated against regarding the employee's compensation, terms, conditions, location or privileges of employment because the employee: 1) makes a good faith report or 2) participates in an investigation, hearing or inquiry held by an appropriate authority or in a court action.

Reporting Procedure: Employees must follow the Complaint procedures in reporting a concern about wasteful, illegal or dishonest activities, which are violations of federal, state or local laws, billing for services not performed or goods not delivered, and other fraudulent activity.

Employees must exercise sound judgment to avoid baseless allegations. An employee who intentionally files a false report of wrongdoing will be subject to further disciplinary action including, but not limited to, discharge from employment.

Anyone reporting a concern must act in good faith and have reasonable grounds for believing the information disclosed indicates an improper accounting or auditing practice, or a violation of Board policies. The act of making allegations that prove to be unsubstantiated, and that prove to have been made maliciously, recklessly, or with knowledge that the allegations are false, will be viewed as a serious disciplinary offense and may result in discipline, up to and including termination of employment. Such conduct may also give rise to other actions, including civil lawsuits.

POLICY ON SOCIAL MEDIA

In the rapidly expanding world of electronic communication, social media can mean many things. Social media includes all means of communicating, posting information or content of any sort on the Internet, including to your own or someone else's web log or blog, journal or diary, personal web site, social networking or affinity website, web bulletin board or a chat room, whether or not associated or affiliated with PDLCS. Failure to adhere to this Policy on Social Media may result in disciplinary action, up to and including termination of employment.

Be Respectful

When using social media, please be fair and courteous to fellow employees, customers, contractors, and vendors. Keep in mind that you are more likely to resolve work-related complaints by speaking directly with your co-workers or by utilizing our Open Communications Policy than by posting complaints to a social media site.

Nevertheless, if you decide to post complaints or criticism, avoid using statements, photographs, video or audio that reasonably could be viewed as malicious, obscene, or threatening, that falsely disparages fellow employees, customers, contractors, or vendors, or that might constitute harassment or bullying. Examples of such conduct include offensive posts meant to intentionally harm someone's reputation, threats, and statements that could contribute to a hostile work environment on the basis of race, gender, disability, religion, sexual orientation,

sexual identity, or any other legally protected demographics. Internal emails should not be copied and posted to social media sites.

Be Honest and Accurate

Make sure you are always honest and accurate when posting information or news, and if you make a mistake, correct it quickly. Be open about any previous posts you have altered. Remember that the Internet archives almost everything; therefore, even deleted postings can be searched.

Never post any information or rumors that you know to be false about the School, fellow employees, customers, contractors, or vendors.

Do Not Post Confidential Business Information

Maintain the confidentiality of PDLCS' student information, trade secrets and proprietary business information. Trade secrets may include information regarding the development of systems, processes, products, know-how and technology, student information or employee social security numbers. Do not post internal communication, procedures, reports or other internal business-related confidential communications that could give a competitor an advantage or harm the PDLCS' relationship with a customer, contractor, or vendor, such as protected personal information. Violations of confidentiality may result in disciplinary action up to and including termination.

Express Only Your Personal Opinion

Never represent yourself as a spokesperson for PDLCS or other employees. If PDLCS is a subject of the content you are creating, be clear and open about the fact that you are an employee and make it clear that your views do not represent those of the PDLCS, fellow employees, customers, contractors, or vendors.

It is best to include a disclaimer such as "The postings on this site are my own and do not necessarily reflect the views of PDLCS."

Media Contacts

You should not speak to the media on PDLCS's behalf without first contacting the Chief Executive Officer (CEO) and obtaining written approval. All media inquiries seeking comments from the School should be directed to the CEO.

For More Information

If you have questions or need further guidance, please contact the School Administrators.

BENEFITS OVERVIEW

Employee Insurance Premiums

The School takes pride in offering employees access to medical, dental, vision, disability and life insurance that includes superior benefits at the lowest reasonable cost to employees. Periodically, the School will review employee needs, as well as costs to the School, when evaluating policy, premiums and quality for the benefits program. In the present economy, the long-term health and wellness of the School must be considered along with the health and wellness of the employees as School Administration seeks the best possible balance for all concerned. Quality programs will continue to be offered within that balance.

The Human Resources Coordinator will direct employees to the appropriate benefits resource for a detailed explanation of premiums and benefits.

Insurance Enrollment Eligibility

Employees working in full-time positions are eligible to participate in the School insurance programs. Part time employees who work at least 30 hours per week are eligible for insurance programs. Contracted service providers are not eligible. Eligible employees are required to elect or waive insurance coverage within the first thirty (30) days of employment. Outside of the Open Enrollment period, changes to enrollment can only be made due to a qualifying event.

Qualifying Events – Medical, Dental and Vision

Coverage under the prior plan ended because of any of the following: loss of eligibility (including, without limitation, legal separation, divorce or death); the employer stopped paying the contributions; and/or, in the case of COBRA continuation, the coverage ended.

Employees and/or family members that lose prior insurance coverage and wish to enroll in the benefit plan must apply for coverage within thirty (30) days of losing coverage by completing the enrollment form and by providing a Certificate of Prior Coverage to the School. The prior insurance company will provide this certificate to the employee.

Marriage, Birth or Adoption of Child: Enrolled employees who wish to enroll a new spouse or newborn or adopted child must apply for coverage within thirty (30) days of the qualifying event. Employees pay 100% of the premiums and the premiums will be deducted from the employee's semi-monthly payroll check. Employees may choose to keep the supplemental plan after employment at the School is terminated. MetLife offers a portability feature that allows an insured person to continue their low cost group term protection. In addition, there is a conversion feature that allows employees to convert coverage to a permanent plan after termination. Supplemental life insurance is also available for spouses and children. Please refer to *PDLCS Guide to Benefits*.

Short and Long Term Disability Insurance

Employees may also elect short and/or long term disability insurance. Employees pay 100% of the premiums and the premiums will be deducted from the employee's semi-monthly payroll check. The maximum benefit amount is 60% of gross weekly earnings or \$1,100, whichever is less (rounded down to the next \$50 increment). Short-term disability insurance will provide benefits on the 8th day following an injury or illness that prevents the employee from working up to 13 weeks. Long term coverage provides the employee with 60% of monthly earnings up to \$3,000 per month after a 90-day elimination period. Specific details can be found in the *PDLCS Guide to Benefits*.

Late Enrollee Application – Short/Long Term Disability and Supplemental Life

If an employee waived coverage during the first thirty (30) days, they may still apply for Long/Short-Term Disability and Supplemental Life Insurance Plans during subsequent enrollments subject the terms of the plan. Specific details can be found in the [*PDLCS Guide to Benefits*](#).

Professional Development/Educational Reimbursement

Please refer to [*PDLCS Reimbursement for Professional Development/Tuition/Additional Certifications Procedure*](#) for additional information regarding the Educational Reimbursement Program. The Reimbursement Program is offered to all eligible employees working towards Certification Compliance, Re-Certification, or a graduate degree by earning college credit hours subject to the following conditions:

1. Eligible Employees are all regular full-time employees who have completed a minimum of three (3) months with the School and who are not currently subject to a professional improvement plan. All Reimbursement Requests must be pre-approved by Chief Executive Officer prior to registering for a course(s).
2. Eligible courses/programs include those taken for certification, re-certification, certification compliance or graduate degree that will either offer growth in an area related to their current position, or might lead to promotional opportunities within the School. Eligible courses/programs must be offered by an accredited institution recognized by the Pennsylvania Department of Education. School administration retains the right/discretion to determine what qualifies as an eligible course.
3. Requests for additional certifications must be based on the requirements of the School, not on the wishes of the staff member.
4. If an employee loses eligibility (termination of employment, withdrawal from course(s), disciplinary action) before the course is completed, no reimbursement will be available.
5. The amount of reimbursement may be subject to deductions mandated by law.
6. Employees receiving reimbursement must work for one (1) academic school year post tuition reimbursement or refund PDLCS the amount paid.

Please refer to [*PDLCS Reimbursement for Professional Development/Tuition/Additional Certifications Procedure*](#) for further guidelines and conditions.

WORKERS' COMPENSATION INSURANCE

PDLCS provides a comprehensive workers' compensation insurance program to all employees in accordance with Pennsylvania law. This program is provided at no cost to employees.

The workers' compensation insurance program covers injuries or illnesses that might happen during the course of employment requiring medical, surgical, or hospital treatment. Subject to legal requirements, workers' compensation insurance begins after a short waiting period, or if an employee is hospitalized, the benefits begin immediately.

It is very important that the employee immediately report any work-related injury or illness, (within one hour) to School Administration regardless of how minor it might seem at the time. Prompt reporting helps to make sure employees qualify for appropriate coverage as quickly as possible. It also enables School Administration to investigate the matter promptly.

Workers' compensation covers only work-related injuries and illnesses. Except as may be required by law, neither PDLCS nor its insurance carrier will pay workers' compensation benefits for injuries that might happen if an employee voluntarily participates in an off-duty recreational, social, or athletic activity that PDLCS may sponsor, or any other injury that is not work related.

BENEFITS CONTINUATION (COBRA)

The Consolidated Omnibus Budget Reconciliation Act (COBRA) gives workers and their families who lose their health benefits the right to choose to continue group health benefits provided by their group health plan for limited periods of time under certain circumstances such as voluntary or involuntary job loss, reduction in the hours worked, transition between jobs, death, divorce, and other life events. Qualified individuals may be required to pay the entire premium for coverage up to 102 percent of the cost to the plan.

COBRA generally requires that group health plans sponsored by employers with twenty (20) or more employees in the prior year offer employees and their families the opportunity for a temporary extension of health coverage (called continuation coverage) in certain instances where coverage under the plan would otherwise end.

COBRA outlines how employees and family members may elect continuation coverage. PDLCS is required to provide COBRA notice, upon termination, to an employee. Direct any questions regarding COBRA to the school's Insurance Broker.

EMPLOYMENT STATUS & COMPENSATION

Employment Status

REGULAR FULL-TIME EMPLOYEES – A regular full-time employee normally works 37.5-40 or more hours per work week.

PART-TIME EMPLOYEES – A part-time employee normally works between 24-32 hours per work week.

Your employment status may affect your eligibility for benefits.

Exempt and Nonexempt Classifications

The School classifies its employees as follows:

EXEMPT EMPLOYEES – Exempt employees are not required to be paid overtime under applicable federal or state wage and hour laws.

NON-EXEMPT EMPLOYEES – Non-exempt employees are paid overtime under applicable wage and hour laws. Overtime pay will be paid at a rate of one and one-half the employee's regular hourly rate for each hour of overtime worked.

Overtime

Overtime compensation is paid to all non-exempt employees in accordance with applicable federal and state wage and hour laws. Overtime pay is based on actual hours worked. Time away from work for paid time off and any other leave of absence are not considered hours worked for purposes of overtime calculations. **Non-exempt employees are required to obtain permission from their supervisors prior to working overtime.** Failure to obtain permission as required prior to working overtime will result in discipline, up to and including termination. Non-exempt employees should refer to the applicable Standard Operating Procedures for specific guidelines.

Work Week

The work week is defined as the seven-day period beginning each Sunday at 12:00 a.m. and ending at 11:59 p.m. the following Saturday.

Time Reporting

Accurately recording total hours worked is the responsibility of every employee. Regulations require the Employer to keep an accurate record of time worked in order to calculate employee pay and benefits.

Employees must use the time clock or online portal to record time worked. All employees must punch "in" upon beginning work and punch "out" immediately upon leaving duty. **In addition, all employees must punch in/out for meal breaks and ANY employee who leaves the school premises during normal working hours must punch in/out.** Time records must reflect all regular and overtime hours worked, any absences, late arrivals, early departures, and meal breaks. Non-exempt employees are prohibited from performing any "off-the-clock" work. "Off-the-clock" work means work performed but not reported.

Employees must punch their own time, and it is a violation of School policy for any employee or manager to instruct another employee to incorrectly or falsely report hours. Altering, falsifying, tampering with time records, or recording time on another employee's time record is prohibited. If an individual (1) instructs an employee to incorrectly or falsely under-report or over-report hours worked; or (2) alters another employee's time records to inaccurately or falsely report that employee's hours worked, the employee should report the details of the request immediately to an Administrator. It is the employee's responsibility to certify the accuracy of all time reported. Additionally, habitual tardiness is not acceptable. If corrections or modifications to the employee's time record are needed, the employee must contact the Human Resources Coordinator and make the necessary changes to ensure an accurate report.

Employees who fail to report or inaccurately report hours worked will be subject to disciplinary action, up to and including termination.

Payroll Deductions

Various payroll deductions are made to comply with federal and state laws or the convenience of the employee, including, but not limited to the following:

- Payroll Taxes;
- Benefit Plan Contributions;
- Garnishments – including child support or other court ordered waged deductions – statutory; and
- Other agreed-upon and legally permissible deductions.

Garnishments are court orders requiring an employer to withhold specified amounts from an employee's wages for payment of a debt owed by the employee to a third party. State law requires the School to honor garnishments of employee wages (including child support) as a court or other legal judgment may instruct.

Payroll Review

Employees are advised to review their paychecks for accuracy. The School makes every effort to ensure employees are paid correctly. In the event that there is an error in the amount of pay, the employee should promptly bring the discrepancy to the attention of the HR Coordinator so that corrections can be made as quickly as possible.

Paydays

Payday is on the 15th and 30th or last working day of each month. If the payday falls on a Saturday or Sunday, payday is the Friday before. There are two (2) payroll due dates each month.

Personal Data Changes

Employees must inform the School of any changes to personal information. Personal information includes: mailing address, telephone number, marital status, dependents' information, emergency contact, highest degree of education obtained, and certifications acquired. Contact the HR Coordinator to update personal information. Personal data changes should be reported in a timely manner. Please refer to the applicable PDLCS Procedure for guidelines and forms.

Retirement

Notification of impending retirement should be provided to the school at a minimum of 90 days in advance unless retirement is due to the onset of an illness.

Annual Holidays

PDLCS recognizes the following holidays and creates an annual school calendar accordingly. It is up to School Administration to designate school holidays for either time off, or for in-service training.

Currently, PDLCS observes the following holidays:

- New Year's Day
- Martin Luther King Jr. Day
- Presidents Day
- Memorial Day
- Juneteenth
- Independence Day
- Labor Day
- Veterans Day
- Thanksgiving Day
- Friday after Thanksgiving
- Christmas Eve
- Christmas Day

Paid Time Off for Employees

Full-time employees should refer to their individual contracts regarding available paid time off.

PDLCS does provide prorated paid time off for part-time employees.

Scheduling Paid Time Off

PDLCS staff members work a 7:30 AM to 3:30 PM schedule with a 30 minute paid lunch. When a staff member is unable to fulfill responsibilities as scheduled, they may request time off. Travel for school business purposes is an expectation of all school staff and outlined in the Business Travel section of this handbook and may take place outside of the normal school day.

Personal time may be taken in increments of one hour. Vacation time may be taken in full day increments. All requests for time off must be submitted via the Request for Time-Off (RTO) system and preapproved at least three (3) days in advance. No leave will be preapproved during

professional development days or during the Testing window.

Employees with emergency requests for personal time unable to be preapproved three (3) days in advance must call via telephone the Human Resources Coordinator to request the time off and discuss its purpose. Email requests will not be accepted.

If three (3) or more consecutive personal days are taken and were not prescheduled, the employee must provide a doctor's excuse to return to work.

Most employees are provided vacation during the month of July and are not required to work during this time. Based upon work responsibilities and requirements of the School, it may be necessary for some employees and/or administrators to have modified vacation schedules. Vacation may be taken in the increment of one (1) full day. Employees should refer to their individual contracts for specifics related to vacation and personal time. For all employees, unused vacation and personal time may not be rolled over to the following year.

PDLCS must maintain adequate staffing at all times. Therefore, employees are to refer to time off parameters in their individual contracts. No time off will be approved on scheduled Professional Development Days, or during standardized testing windows.

Leave without Pay (LWOP)

PDLCS provides leave without pay in conjunction family and medical leave (FMLA) or maternity leave cases when the staff member does not qualify for FMLA.

The School will also provide unpaid leave in accordance with other applicable state and federal laws, including but not limited to accommodations that may be required under the ADA.

Leave without pay will not be granted for instances where a staff member has used all available leave and does not qualify for FMLA. If the staff member goes into a negative leave balance, the individual is in violation of his/her contract and could be subject to immediate termination.

Family and Medical Leaves of Absence

The Family and Medical Leave Act ("FMLA") provides eligible employees the opportunity to take unpaid, job-protected leave for certain specified reasons. The School complies with the FMLA and provides FMLA to eligible employees in accordance with its [*FMLA policy*](#) which is attached at Appendix A.

If an employee is no longer qualified to perform the essential functions of the job duty with or without a reasonable accommodation, the employee will be terminated consistent with applicable law.

BEREAVEMENT LEAVE POLICY

Notification of Leave

The employee must notify School Administration of the need to take funeral leave.

Upon return, documentation must be provided to School Administration. When granted funeral leave, it is mandatory to attend the funeral of the relative for whom such funeral leave was requested. School Administration reserves the right to request the name and relationship, the name of the funeral home that handled the arrangements, as well as the obituary to confirm date of funeral.

Paid funeral leave days do not count toward an employee's paid time off. Employees may elect to use paid time off days in conjunction with the allotted number of funeral leave days.

Immediate Family Member

Up to five (5) days of paid funeral leave will be provided to all full-time employees at the time of death of an employee's immediate family member which includes: the employee's spouse, child(ren), step-children, siblings, domestic partner, grandchild, father-in-law, mother-in-law, brother-in-law, daughter-in-law, parent, step-parent, or custodial relative acting in the role of a parent or caregiver for the employee during their life.

Non-Immediate Family Member

One (1) day of paid funeral leave will be provided to all full-time employees at the time of death of a non-immediate family member which includes: grandparents, aunts, uncles, cousins, or the non-immediate family member of the employee's spouse/domestic partner.

JURY DUTY

The School encourages employees to fulfill civic responsibilities by serving on a jury if summoned. Employees may request up to one (1) week paid leave for jury duty. Thereafter, an employee may request unpaid jury duty leave for the absence. An employee may elect to use any earned personal or vacation time available.

Paid Absence

Upon receiving a jury duty summons, show it to School Administration as soon as possible. This will help PDLCS plan for possible absence from work. Time off taken for jury duty is treated as a paid absence for up to five (5) days during any one year. Employees are paid for the time they are absent for jury duty, less the amount they receive for performing jury duty service. Additionally, depending on whether the employee is required to perform any work while on jury duty, the employee may receive additional pay. Before performing any work while on jury duty leave, the employee must first seek approval from a School Administrator.

Advance Notice

Employees must give advance notice of the need for time off for jury duty. A copy of the summons should accompany the request.

Return to Work

If the employee is dismissed from jury duty before the end of the workday, they must immediately call their direct supervisor or a School Administrator for instructions on whether to return to work for the rest of the workday.

Subject to the terms, conditions, and limitations of the applicable plans, PDLCS will continue to provide all benefits for the full period of unpaid jury duty leave.

MILITARY LEAVE

Employees who wish to serve in the military and take military leave should contact the Human Resources Coordinator for information about their rights before and after such leave. You are entitled to reinstatement upon completion of military service, provided you return or apply for reinstatement within the time allowed by law.

ORGANIZATION AND OFFICE POLICY

Attendance and Punctuality

Unplanned absences can disrupt work, inconvenience other employees, and affect productivity. Poor attendance or excessive lateness may be subject to disciplinary action, up to and including termination of employment, as well as salary increase/bonus considerations and opportunities for advancement.

Employees are expected to report for work as scheduled. The normal work schedule for employees is eight (8) hours a day, five (5) days per week. Employees work from 7:30 AM to 3:30 PM. A paid thirty (30) minute duty-free lunch is built into each workday schedule. Any requested deviations from the work schedule must be approved by School Administration. Staffing needs and operational demands are determined solely at the discretion of administration.

All employees are required to travel for the administration of standardized testing and family outreach events. Travel often involves overnight stays for which the employee is reimbursed expenses as outlined in [*PDLCS's Business Travel and Reimbursement Procedure*](#).

Dress Code

PDLCS provides a casual yet professional work environment for its staff members. Even though the dress code is casual, it is important to project a professional image to our students, families,

visitors and coworkers. All staff members are expected to dress in a manner consistent with good hygiene, safety and good taste.

When working in the office, staff members are expected to dress in smart casual attire unless the day's tasks require otherwise. Everyone is expected to be well-groomed and wear clean clothing, free of holes, tears or other signs of wear. Footwear must be appropriate attire for the school environment. Hooded PDLCS sweatshirts may be worn on Fridays. An example of smart casual attire would be a pair of slacks or a nice pair of jeans with a button up shirt or blouse.

In addition, if blankets are used due to office temperatures, these may be worn from the waist down while seated. Staff members should not be fully covered in a blanket while in the office or while walking around the office.

When working outside of the office, staff members are expected to dress in business casual attire and are encouraged to wear a PDLCS school shirt. Jeans should not be worn for business trips with the exception of field trips or marketing events that may be outside.

Fraud

Like all organizations, PDLCS is faced with risks from wrongdoing, misconduct, dishonesty, and fraud. As with all business exposures, School Administration must be prepared to manage these risks and their potential impact in a professional manner. The impact of misconduct and dishonesty may include:

1. actual financial loss incurred
2. damage to the reputation of PDLCS and its employees
3. negative publicity
4. the cost of investigation
5. loss of employees
6. loss of customers
7. damaged relationships with PDLCS students, parents, and suppliers
8. litigation
9. damaged employee morale

The goal is to establish and maintain a business environment of fairness, ethics, and honesty for its employees, students, parents, guests, suppliers, and anyone else with whom there is a relationship. To maintain such an environment requires the active continual assistance of employees and managers.

PDLCS is committed to the deterrence, detection and correction of misconduct and dishonesty. The discovery, reporting and documentation of such acts provide a sound foundation for the protection of innocent parties, the disciplinary action against offenders up to and including termination where appropriate, the referral to law enforcement agencies when warranted by the facts, and the recovery of assets.

Personal Property

PDLCS is not responsible for personal property that is lost, damaged or stolen. Be aware that employees are solely responsible for any personal property that is brought into the workplace.

No item may be brought onto the premises or worksite that is sexually suggestive, offensive, or demeaning to specific individuals or groups. Firearms or other weapons are prohibited. All personal property brought onto the premises may be inspected for purposes of enforcing the School's policies and to protect against theft.

Small appliances (*e.g.*, space heaters, small refrigerators and microwaves) are not permitted.

Telephones and Voicemail

Use of PDLCS telephones for personal calls is discouraged. All calls may be monitored or recorded. There should be no expectation of privacy when using School telephones. The School's telephones and voice-messaging systems should be used only in relation to an employee's job duties or for school business purposes.

Telephone communications are an important reflection of the School's image to our families and the community. Always use proper telephone etiquette. The following are some examples of good telephone etiquette: use an approved greeting, speak courteously and professionally, repeat information back to the caller, and only hang up after the caller hangs up.

Voicemail messages recorded on PDLCS equipment are the property of the School. As a result, employees have no expectation of privacy in any voicemail messages left on the PDLCS voice-messaging system and should act and treat the system accordingly. Voicemail messages can be disclosed, monitored, copied, retrieved or reviewed by PDLCS at any time, with or without permission, prior to or otherwise, of the employee.

Respectful use of **personal cell phones** for talking and texting is important to daily work space. These guidelines are to be followed:

- Do not bring personal cell phones to School meetings (with the exception of the Safe2Say Something team members)
- If taking a call, be considerate of others who may be working

HEALTH AND SAFETY

Animals in the Workplace

Service animals are the only animals permitted in the workplace. No other exceptions may be made in order to provide a safe, clean working environment.

Please refer any questions concerning this policy to School Administration.

Emergency Closings

Emergencies such as severe weather, fires or power failures can disrupt the School's operations. There is a notification process in place to notify employees in the event of an emergency. Staff members may be expected to work from home during such events and should have the necessary arrangements in place. If the staff member is unable to adequately perform job responsibilities, personal leave may be requested. If such an event occurs when a staff member is working from home, the staff member must contact Human Resources and report to the office immediately to complete the work day or take personal time off.

First Aid

Call 911 for any life-threatening emergency. During a 911 call, follow the instructions of the dispatcher to safely assist in the situation until qualified help arrives. For minor injuries, report the incident to School Administration.

Contact School Administration, immediately, to report any incident that occurs on school property. Employees must report all work-related injuries, regardless of severity, to School Administration. Work-related injuries will be handled in accordance with Workers' Compensation laws. Refer to the section on Workers' Compensation Insurance for more information.

Safety

The Board of Trustees of the PDLCS recognizes the importance of a safe school environment relative to the educational process. Possession of weapons in the school setting is a threat to the safety of students and staff and is prohibited by law.

Weapon: The term shall include but is not be limited to any knife, cutting instrument, cutting tool, martial arts device, firearm, air rifle, pistol, slingshot device, explosive device, replica of a weapon, and/or any other tool or instrument capable of inflicting serious bodily injury.

Furthermore, the term "weapon" is defined and prohibited in accordance with applicable law.

Smoking/Drug/Alcohol Use

Smoking: It is against Pennsylvania law to smoke on any school property. This law applies equally to all employees, vendors, and visitors. School policy concerning smoking, smokeless, e-cigarettes, vaping products and/or chewing tobacco use states that such use must occur fifty (50) or more feet from any building owned, leased or being used for school purposes, such as testing, graduation, and family community activities.

Drug and Alcohol Use: PDLCS is a smoke-free and drug-free workplace.

PDLCS explicitly prohibits the following to the extent allowable under applicable law:

1. The use, possession, solicitation for, or sale of narcotics or other illegal drugs, alcohol, or prescription medication either without a prescription or not taken in accordance with the prescription (Prohibited Substances) on PDLCS or school event premises or while performing an assignment.
2. Being impaired or under the influence of Prohibited Substances during working hours or at school sponsored events, if such impairment or influence adversely affects the employee's work performance, the safety of the employee or of others, or puts PDLCS's reputation at risk.
3. Possession, use, solicitation for, or sale of Prohibited Substances away from the School or school event premises, if such activity or involvement adversely affects the employee's work performance, the safety of the employee or of others, or puts PDLCS's reputation at risk.

Violation of any of the above requirements will lead to disciplinary action, up to and including immediate termination of employment. School Administration may also require the employee to participate in a substance abuse rehabilitation or treatment program. Failure to comply could lead to other legal consequences.

If an employee is tested for drugs or alcohol outside of the employment context and the results indicate a violation of this policy, the employee may be subject to appropriate disciplinary action, up to and including discharge from employment. In such a case, the employee will have the opportunity to explain the circumstances prior to any final employment action becoming effective. Per Act 24, if a staff member is arrested, the arrest must be reported to Administration and this should be completed within 72 hours of arrest.

This policy, however, does not prevent employees from taking drugs in accordance with their prescription, and to the extent such prescription medication interferes with an employee's performance of their job duties, the employee must notify the Principal or other School Administrator.

PDLCS reserves the right if there is reasonable suspicion of drug/alcohol use in the workplace to require medical testing.

Questions regarding this policy or issues related to drug or alcohol use at work can be directed to School Administration without fear of reprisal.

Workplace Monitoring

PDLCS may conduct workplace monitoring to help ensure quality control, employee safety, security, and customer satisfaction.

All computer equipment, services, or technology furnished for carrying out employment responsibilities are property of PDLCS. School Administration reserves the right to monitor computer activities and data that are stored in school computer systems. School Administration also reserves the right to find and read any data written, sent, or received via a school computer and systems, and such monitoring should be expected. Please do not use PDLCS's equipment for transferring or storing information that you would like kept private.

BUSINESS TRAVEL

Travel Statement of Purpose

PDLCS seeks to simplify the travel process by providing guidelines to follow in order to protect the interests of both the employee and the School. The following information serves to clarify the means by which travel should be arranged and parameters that employees must adhere to. It is School policy to reimburse employees for ordinary, necessary and reasonable travel expenses when directly connected with or pertaining to the transaction of school business. All travel must be done in accordance within these guidelines to qualify for reimbursement. Employees are asked to exercise prudent business judgment regarding expenses covered by these guidelines. When submitting expense report reimbursement claims, employees are expected to neither gain nor lose financially with regard to the below identified reimbursable expenses.

Responsibilities and Enforcement

The School realizes business travel can, at times, be costly. With this understanding, an organized and clear process for submitting expenses is crucial to ensure all expenses are reimbursed in a timely manner. For detailed instructions on the reimbursement process, refer to [*PDLCS's Business Travel and Reimbursement Procedure*](#). School employees who incur travel and entertainment expenses are required to comply with these guidelines. Employees submitting expenses that are not in compliance with the guidelines risk a delayed, partial or forfeited reimbursement.

Cases of significant abuse will be investigated and may result in disciplinary action up to and including employee termination.

Employees must submit a *Pre-Travel Authorization Form* to administration. All travel must be approved by the School Administrator prior to booking a trip.

The School Administrator is responsible for assuring that all policies detailed herein have been adhered to prior to approving employee expense reports. Any deviations must be explained on the employee's expense report with the approval of the reviewer. The School Administrator is responsible for ensuring that any expenses reimbursed or paid for by the School are in compliance with these guidelines. Reimbursements for expenses that are not in compliance with the guidelines require the written approval of a School Administrator.

RESIGNATION

Resignation is a voluntary act initiated by the employee to terminate employment with PDLCS. PDLCS requests at least two weeks written resignation notice from all employees.

If the staff member has provided notice of terminating employment, no leave will be approved to be taken during the notice period.

Prior to an employee's departure, an exit interview will be scheduled to discuss the reasons for resignation and the effect of the resignation on the employee's benefits.

If an employee does not provide advance notice as requested, the employee may be considered ineligible for rehire.

JOB ABANDONMENT

Any employee who is habitually absent from work or who is absent for at least three (3) consecutive scheduled work days, without approval or without notice to School Administration, shall be deemed to have abandoned employment and will be automatically terminated.

In addition, employees who resign without providing a two-week notice are considered to have abandoned their jobs and are not eligible for rehire consideration.

RETURN OF PROPERTY

PDLCS may loan property, materials or written information to fulfill employee responsibilities. Employees are responsible for protecting and controlling said property.

Employees must return loaned property promptly when asked for the purpose of inventory or termination of employment.

If the property is not returned, or if property is lost or damaged at any point during your employment, and if the law allows, PDLCS may withhold money from an employee's regular or final paycheck to cover the cost. PDLCS may also take legal action to recover property.

Appendix A

Family and Medical Leave Policy

Employees may be entitled to a leave of absence under the Family and Medical Leave Act (FMLA). This policy provides employees information concerning FMLA entitlements and obligations employees may have during such leaves. The FMLA is a federal law which can be accessed at www.dol.gov/whd/fmla and is outlined in the U.S. Department of Labor Notice of Employee Rights and Responsibilities, attached hereto. The terms and provisions outlined in this policy shall be construed in accordance with the FMLA and applicable regulations.

To request FMLA leave or to ask a question regarding FMLA eligibility, employees should contact the Human Resources Coordinator.

1. Eligibility

FMLA leave is available to “eligible employees.” To be an “eligible employee,” an employee must: (1) have been employed by the Employer for at least 12 months (which need not be consecutive); (2) have been employed by the Employer for at least 1,250 hours of service during the 12-month period immediately preceding the commencement of the leave; and (3) be employed at a worksite where 50 or more employees are located within 75 miles of the worksite.

2. Entitlements

The FMLA provides eligible employees with a right to leave, health insurance benefits and, with some limited exceptions, job restoration. The FMLA also entitles employees to certain written notices concerning their potential eligibility for and designation of FMLA leave.

3. Basic FMLA Leave Entitlement

The FMLA provides eligible employees up to 12 workweeks of unpaid leave for certain family and medical reasons during a 12-month period. The 12-month period is determined based on a rolling 12-month period measured backward from the date an employee uses his/her FMLA leave. Leave may be taken for any one, or for a combination, of the following reasons:

To care for the employee’s child after birth, or placement for adoption or foster care (this leave must be taken within 12-months of the child’s birth/placement);

To care for the employee’s spouse, son, daughter or parent who has a serious health condition;

For the employee's own serious health condition (including any period of incapacity due to pregnancy, prenatal medical care or childbirth) that makes the employee unable to perform one or more of the essential functions of the employee's job;

For purposes of Qualified Exigency Leave (described below); and/or

For purposes of Military Caregiver Leave (described below).

If both married parents are employed by the Employer, they are together entitled to a total of 12 weeks of leave (rather than 12 weeks for each employee) for the birth or placement of a child for adoption or foster care.

The terms "serious health condition" and "son" and "daughter" are defined by the FMLA and applicable regulations.

Qualified Exigency Leave Entitlement

When an employee is the spouse, son, daughter, parent or next of kin (as those terms are defined by law) of a member of the United States Armed Forces, National Guard or Reserves, such employee will qualify for "qualified exigency leave" if the covered service member is on active duty, has been called to active duty, or has been notified of an impending call or order to active duty. For the purposes of this provision, "active duty" means deployment to a foreign country.

The categories of qualifying exigencies for which leave may be taken are:

- Short-notice deployment;
- Military events and related activities;
- Childcare and school activities;
- To care for the parent of a covered service member who is incapable of self-care;
- Counseling;
- Rest and recuperation with a covered service member who is on temporary, short-term leave during a period of active duty (up to 15 days);
- Post-deployment activities (within 90 days following active duty);
- Additional activities as agreed upon by the Employer.

Military Caregiver Leave Entitlement

Military Caregiver Leave will be granted for up to twenty six (26) weeks to eligible employees who are the spouse, son, daughter, parent or next of kin (as those terms are defined by law) of a covered service member with a serious injury or illness during a 12-month period to care for the covered service member.

For the purposes of this provision, a covered service member is defined as a member of the United States Armed Forces, National Guard or Reserves, or any individual who was honorably discharged from the United States Armed Forces, National Guard or Reserves at any time during the five (5) years immediately preceding the beginning of the requested FMLA leave period, who has a serious injury or illness incurred or aggravated in the line of duty.

For purposes of this provision, the 12-month period of Military Caregiver Leave eligibility is calculated on a fixed basis, by looking forward from the date of the FMLA leave request.

“Serious injury or illness” is defined by the FMLA and applicable regulations.

Intermittent Leave and Reduced Leave Schedules

FMLA leave usually will be taken for a period of consecutive days, weeks or months. However, employees also are entitled to take FMLA leave intermittently or on a reduced leave schedule when medically necessary due to a serious health condition of the employee or covered family member or the serious injury or illness of a covered service member.

No Work While on Leave

Staff members are not expected or required to work while on FMLA leave. Staff members on FMLA leave should provide a personal email account address to the Human Resources Coordinator for communication purposes only. Gmail account passwords will be changed and emails forward to the staff member’s supervisor for the duration of leave.

In addition, the taking of another job while on family/medical leave or any other authorized leave of absence is grounds for immediate termination, to the extent permitted by law.

Communication While on Leave

During FMLA leave, the employee’s primary point of School contact is the Human Resources Coordinator. Information related to FMLA should not be discussed with other staff members.

Protection of Group Health Insurance Benefits

During FMLA leave, eligible employees are entitled to receive group health plan coverage on the same terms and conditions as if they had continued to work.

Restoration of Employment and Benefits

At the end of FMLA leave, subject to some exceptions including situations where job restoration of “key employees” will cause the Employer substantial and grievous economic injury, employees generally have a right to return to the same or equivalent positions with equivalent pay, benefits and other employment terms. The Employer will notify employees if they qualify as “key employees,” if it intends to deny reinstatement, and of

their rights in such instances. Use of FMLA leave will not result in the loss of any employment benefit that accrued prior to the start of an eligible employee's FMLA leave.

Notice of Eligibility for, and Designation of, FMLA Leave

Employees requesting FMLA leave are entitled to receive written notice from the Employer telling them whether they are eligible for FMLA leave and, if not eligible, the reasons why they are not eligible. When eligible for FMLA leave, employees are entitled to receive written notice of: (1) their rights and responsibilities in connection with such leave; (2) the Employer's designation of leave as FMLA-qualifying or non-qualifying, and if not FMLA-qualifying, the reasons why; and (3) the amount of leave, if known, that will be counted against the employee's leave entitlement.

The Employer may retroactively designate leave as FMLA leave with appropriate written notice to employees provided the Employer's failure to designate leave as FMLA-qualifying at an earlier date did not cause harm or injury to the employee. In all cases where leaves qualify for FMLA protection, the Employer and employee can mutually agree that leave be retroactively designated as FMLA leave.

Employee Obligations

1. Provide Notice of the Need for Leave

Employees who take FMLA leave must timely notify the Employer of their need for FMLA leave. The following describes the content and timing of such employee notices.

Content of Employee Notice

To trigger FMLA leave protections, employees must inform the Human Resources Coordinator of the need for FMLA-qualifying leave and the anticipated timing and duration of the leave, if known. Employees may do this by either requesting FMLA leave specifically, or explaining the reasons for leave so as to allow the Employer to determine that the leave is FMLA-qualifying.

Calling in "sick," without providing the reasons for the needed leave, will not be considered sufficient notice for FMLA leave under this policy. Employees must respond to the Employer's questions to determine if absences are potentially FMLA-qualifying.

If employees fail to explain the reasons for FMLA leave, the leave may be denied. When employees seek leave due to FMLA-qualifying reasons for which the Employer has previously provided FMLA-protected leave, they must specifically reference the qualifying reason for the leave or the need for FMLA leave.

Timing of Employee Notice

Employees must provide 30 days' advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, or the approximate timing of the need for leave is not foreseeable, employees must provide the Employer notice of the need for leave as soon as practicable under the facts and circumstances of the particular case. Employees who fail to give 30 days' notice for foreseeable leave without a reasonable excuse for the delay, or otherwise fail to satisfy FMLA notice obligations, may have FMLA leave delayed or denied.

Cooperate in the Scheduling of Planned Medical Treatment (Including Accepting Transfers to Alternative Positions) and Intermittent Leave or Reduced Leave Schedules

When planning medical treatment, employees must consult with the Employer and make a reasonable effort to schedule treatment so as not to unduly disrupt the Employer's operations, subject to the approval of an employee's health care provider. Employees must consult with the Employer prior to the scheduling of treatment to work out a treatment schedule that best suits the needs of both the Employer and the employees, subject to the approval of an employee's health care provider. If employees providing notice of the need to take FMLA leave on an intermittent basis for planned medical treatment neglect to fulfill this obligation, the Employer may require employees to attempt to make such arrangements, subject to the approval of the employee's health care provider.

When employees take intermittent or reduced work schedule leave for foreseeable planned medical treatment for the employee or a family member, including during a period of recovery from a serious health condition or to care for a covered service member, the Employer may temporarily transfer employees, during the period that the intermittent or reduced leave schedules are required, to alternative positions with equivalent pay and benefits for which the employees are qualified and which better accommodate recurring periods of leave.

When employees seek intermittent leave or a reduced leave schedule for reasons unrelated to the planning of medical treatment, upon request, employees must advise the Employer of the reason why such leave is medically necessary. In such instances, the Employer and employee shall attempt to work out a leave schedule that meets the employee's needs without unduly disrupting the Employer's operations, subject to the approval of the employee's health care provider.

Submit Medical Certifications Supporting Need for FMLA Leave (Unrelated to Requests for Military Family Leave)

Depending on the nature of FMLA leave sought, employees may be required to submit medical certifications supporting their need for FMLA-qualifying leave. As described below, there generally are three types of FMLA medical certifications: an initial certification, a recertification and a return to work/fitness for duty certification.

It is the employee's responsibility to provide the Employer with timely, complete and sufficient medical certifications. Whenever the Employer requests employees to provide FMLA medical

certifications, employees must provide the requested certifications within 15 calendar days after the Employer's request, unless it is not practicable to do so despite an employee's diligent, good faith efforts. The Employer shall inform employees if submitted medical certifications are incomplete or insufficient and provide employees at least seven calendar days to cure deficiencies. The Employer will delay FMLA leave to employees who fail to timely cure deficiencies or otherwise fail to timely submit requested medical certifications.

With the employee's permission, the Employer (through individuals other than an employee's direct supervisor) may contact the employee's health care provider to authenticate or clarify completed and sufficient medical certifications. If employees choose not to provide the Employer with authorization allowing it to clarify or authenticate certifications with health care providers, the Employer may delay FMLA leave if certifications are unclear.

Whenever the Employer deems it appropriate to do so, it may waive its right to receive timely, complete and/or sufficient FMLA medical certifications.

Initial Medical Certifications

Employees requesting leave because of their own, or a covered relation's, serious health condition, or to care for a covered service member, must supply medical certification supporting the need for such leave from their health care provider or, if applicable, the health care provider of their covered family or service member. If employees provide at least 30 days' notice of medical leave, they should submit the medical certification before leave begins. A new initial medical certification will be required on an annual basis for serious medical conditions lasting beyond a single leave year.

If the Employer has reason to doubt initial medical certifications for an employee taking Basic FMLA Leave, it may require employees to obtain a second opinion at the Employer's expense. If the opinions of the initial and second health care providers differ, the Employer may, at its expense, require employees to obtain a third, final and binding certification from a health care provider designated or approved jointly by the Employer and the employee.

Medical Recertifications

If an employee's medical certification states that the employee's FMLA leave period will last less than six (6) months, then the employee will be required to submit a new medical certification at the end of the initial leave period. If an employee's medical certification states that the employee's FMLA leave period will last six (6) months or more, then the employee will be required to submit a new medical certification every six (6) months. The Employer will notify employees if recertification is required and will give employees at least 15 calendar days to provide medical recertification.

Return to Work/Fitness for Duty Medical Certifications

Unless notified that providing such certifications is not necessary, employees returning to work from FMLA leaves that were taken because of their own serious health conditions that made them unable to perform their jobs must provide the Employer medical certification confirming they are able to return to work and the employees' ability to perform the essential functions of the employees' position, with or without reasonable accommodation. The Employer may delay and/or deny job restoration until employees provide return to work/fitness for duty certifications.

2. Submit Certifications Supporting Need for Qualified Exigency and Military Caregiver Leave

Confirming documentation, including but not limited to the applicable Military orders of the covered service member, may be required to support an employee's request for Qualified Exigency Leave.

In addition to medical certifications, confirming documentation, including but not limited to proof of the covered service member's honorable discharge, may be required to support an employee's request for Military Caregiver Leave.

Substitute Paid Leave for Unpaid FMLA Leave

Employees beginning FMLA leave between July and December may hold back up to ten personal and/or vacation days and are required to exhaust all other accrued paid time prior to taking unpaid FMLA leave.

Employees beginning FMLA leave between January and June may hold back up to five personal and/or vacation days and are required to exhaust all other accrued paid time prior to taking unpaid FMLA leave.

The use of paid time does not extend the length of FMLA leave and the paid time will run concurrently with an employee's FMLA entitlement.

Employees with short term disability insurance may opt to exercise this benefit (if it applies) prior to taking paid and/or unpaid leave. Leaves of absence taken in connection with a disability leave plan or workers' compensation injury/illness shall run concurrently with any FMLA leave entitlement.

Health Insurance Premiums

During FMLA leave, employees are entitled to continued group health plan (currently, medical, dental and vision) coverage under the same conditions as if they had continued to work, unless the Employer notifies employees of other arrangements. During any paid portion of FMLA leave, the Employer will deduct supplemental plan premiums from the employee's paycheck in the same manner as if the employee was actively working. During any unpaid portion of FMLA

leave, the employee is responsible for payment of all supplemental policies elected which currently consists of short term disability insurance, long term disability insurance and supplemental life insurance policies. During any period that FMLA is unpaid, the employer will deduct the cost of the supplemental premiums upon the employee's return to active work. If the staff member does not return to active work, the employee will be required to reimburse the Employer for the cost of any supplemental premiums the Employer paid for in order to maintain coverage during the unpaid portion of FMLA leave.

Coordination of FMLA Leave with Other Leave Policies

The FMLA does not affect any federal, state or local law prohibiting discrimination, or supersede any state or local law, which provides greater family or medical leave rights. For additional information concerning leave entitlements and obligations that might arise when FMLA leave is either not available or exhausted, please consult the Employer's other leave policies in this Employee Handbook or contact a Human Resources Coordinator.

Questions and/or Complaints about FMLA Leave

If you have questions regarding this FMLA policy, please contact the Human Resources Coordinator. The Employer is committed to complying with the FMLA and shall interpret and apply this policy in a manner consistent with the FMLA and all applicable regulations.

The FMLA makes it unlawful for employers to: 1) interfere with, restrain, or deny the exercise of any right provided under FMLA; or 2) discharge or discriminate against any person for opposing any practice made unlawful by FMLA or involvement in any proceeding under or relating to FMLA. If employees believe their FMLA rights have been violated, they should contact the Human Resources Coordinator immediately. The Employer will investigate any FMLA complaints and take prompt and appropriate remedial action to address and/or remedy any FMLA violation. Employees also may file FMLA complaints with the United States Department of Labor or may bring private lawsuits alleging FMLA violations.

Exemption for Highly Compensated Employees

The Employer may choose not to return highly compensated employees (highest paid 10% of employees at a worksite or within 75 miles of that worksite) to their former or equivalent positions following a leave if restoration of employment will cause substantial economic injury to the Employer. (This fact-specific determination will be made by the Employer on a case-by-case basis.) The Employer will notify you if you qualify as a "highly compensated" employee, if the Employer intends to deny reinstatement, and of your rights in such instances.

Appendix B

Reasonable Accommodations for Pregnant Workers

PURPOSE: As required by the federal Pregnant Workers Fairness Act (PWFA), Pennsylvania Distance Learning Charter School (PDLCS) will provide reasonable accommodations to employees with limitations related to pregnancy, childbirth or related medical conditions, unless the accommodation will cause undue hardship to PDLCS' operations. PDLCS will engage in the interactive process with employees related to pregnancy similarly to employees with requests for accommodations based on disabilities or religion.

DETAILED POLICY STATEMENT:

An employee may request an accommodation due to pregnancy, childbirth or a related medical condition by submitting the request in writing to the Human Resources Coordinator. The accommodation request should include an explanation of the pregnancy-related limitations, the accommodation needed and any alternative accommodation(s) that might be reasonable. Depending on the nature of the accommodation, the individual may be requested to submit a statement or complete a questionnaire from a health care provider substantiating the need for the accommodation.

Upon receipt of a request for accommodation, the HR Coordinator will contact the employee to discuss the request and determine if an accommodation is reasonable and can be provided without significant difficulty or expense, i.e., undue hardship. The reasonableness of each accommodation request will be individually assessed.

An employee may request paid leave as a reasonable accommodation under this policy; however, PDLCS will not require an employee to take time off if another reasonable accommodation can be provided that will allow the employee to continue to work.

PDLCS prohibits any retaliation, harassment or adverse action due to an individual's request for accommodation under this policy or for reporting or participating in an investigation of unlawful discrimination under this policy.

Appendix C

Lactation/Breastfeed Policy

PURPOSE: As part of our family-friendly policies and benefits, Pennsylvania Distance Learning Charter School (PDLCS) supports breastfeeding employees by accommodating an employee who needs to express breast milk during the workday.

DETAILED POLICY STATEMENT:

For up to one year after the child's birth, any employee who is breastfeeding will be provided reasonable break times to express breast milk. PDLCS has designated rooms located in Building 1 or 2 for this purpose.

Employees must reserve the room by contacting the HR Coordinator for purposes of coordinating its usage.

The refrigerator in the main floor kitchen of each building has space available for the storage of breast milk. As with any products in the employee refrigerator, any nonconforming products stored in the refrigerator may be disposed of, and employees assume all responsibility for the items stored as well as the risk of harm for any reason, including improper storage, refrigeration, and tampering.

Employees make take reasonable breaks; however, for non-exempt employees, any break lasting more than 20 minutes will be unpaid. Further, the length of time and the timing of breaks should take into account any standard time requirements of the staff member (for example: current teaching schedule and not leaving students unattended).

Appendix D

Technology and Internet Acceptable Usage Policy

PURPOSE: Pennsylvania Distance Learning Charter School (PDLCS) is dedicated to providing services and educational programs using current technology necessary for providing a safe and orderly environment and protecting the health, safety, and welfare of all students.

The Internet as used by students and staff of PDLCS will be solely a tool to facilitate educational research. No other use of the Internet will be endorsed or allowed by PDLCS. Specifically, through the use of computers, students and staff will be able to access educational research materials stored on other computers at other facilities located throughout the world. They will also be able to collaborate with other students and peers with Internet access globally.

Although this represents a significant opportunity, there are important responsibilities that must be shared among students, parents and staff. The purpose of this policy is to detail these responsibilities in a manner understandable to all parties involved.

DETAILED POLICY STATEMENT:

As stated above, use of the PDLCS computer network is to be limited to legitimate academic purposes. This means using the network in such a manner as to have a direct or indirect impact on the student's educational program at PDLCS. The use of computer network for sending frivolous electronic mail (e-mail), chatting, reading, and sending jokes, researching non-academic related sources such as MTV, sports sites, social networking sites such as Facebook, and playing computer games will not be supported or allowed to occur at PDLCS. The use of the system for defamatory, inaccurate, abusive, obscene, profane, sexually

3. Do not connect your personal hardware to PDLCS's hardware.
4. No food or drink within 10' of computer stations.

PRIVACY: For the protection of our students, all users are advised and should be reinforced by parents/guardians to NEVER disclose personal information over the network or Internet, including but not limited to, home address, physical description, age, route to and from a location, or any other personal information that could threaten the safety, identity, and security of our students.

Electronic information and communication sent to, received by, or accessed on PDLCS-owned property, networks, and/or hardware, remain the property of PDLCS. PDLCS reserves the right to monitor electronic activities and communications.

COLLECTION, USE AND DISCLOSURE OF INFORMATION: PDLCS employs the Google Apps suite of products for student use. These applications are powered by Google but administered by PDLCS. Google Apps integrates with the school's standard web single sign-on system using the SAML2.- standard. These single sign-on systems are owned by PDLCS and housed in a secure datacenter within the school. Such systems permit students to access Google Apps only after their school-assigned credentials are authenticated by the systems.

PDLCS student email is provided as part of Google Apps. PDLCS utilizes a set of security tools that allow the school to restrict electronic communications to within the PDLCS domain or school-affiliated domains. PDLCS provides Google Apps and student email accounts to students for educational purposes only. PDLCS is the sole owner of user data. The Google Apps Terms of Service assures PDLCS that the controls, processes and policies that protect user data in Google's system adhere to strict auditing standards; and that Google complies with applicable laws and regulations, including but not limited to applicable privacy laws and the Family Education Rights and Privacy Act (FERPA).

GOOGLE G SUITE ACCOUNT USAGE: The Google G Suite for Education is utilized across all aspects of the school for educational purposes in grades K-12. This account will potentially provide the student's name to Google G Suite Applications and other third party educational applications. Parents/Guardians consent to the creation of a Google G Suite account for all students by the School to be utilized for school communication, lesson activity completion, and as means for logging into third party educational applications that utilize a Google account single sign on protocol.

GOOGLE APPS: Google Docs is a component of Google Apps. It is a collaborative tool that allows multiple users to collaborate on a single document in real time. PDLCS teachers or staff may assign students to use Google Docs to collaborate on assignments or projects. Students are to use this application for these purposes only. Using Google Docs for unauthorized communication with other students such as passing notes is unacceptable and will not be permitted.

WEBCAM: With technology advancing at such a rapid pace, it is important that we offer our students the tools needed to get the most out of their educational experience. With the growing use of video collaboration tools in schools, PDLCS may choose to offer webcams to some students. PDLCS webcams may be used for face-to-face video meetings between students and staff or parents and staff. They may also be used as educational tools as directed by School Administration. These webcams may be external USB devices that can be connected to student computers as needed or built into the school issued computer. It is the personal responsibility of each student and staff member to use webcams in an appropriate manner, in accordance with the acceptable usage outlines on Page 1 of this policy. PDLCS does not employ the use of webcams to help enforce any policies or asset tracking, nor does the school use webcams to remotely monitor end use activity.

TABLETS: PDLCS is committed to providing a learning environment that will enable students to succeed in a constantly evolving technological landscape. The School believes in the importance of providing students with the 21st century skills they need to become self-motivated learners. To accomplish this vision, PDLCS may choose to loan tablet devices to some students. The following guidelines must be adhered to:

1. Students are expected to use tablets appropriately for educational purposes.
2. Students should not attempt to change the configuration of the devices or removed installed profiles.
3. Chrome Web Store free apps may be installed; however, only those free apps with an app store age appropriate level may be installed.
4. PDLCS will not reimburse for any paid app.

5. PDLCS will not reimburse for wireless coverage.

Tablets will be pre-configured and enrolled on the PDLCS mobile device management server before being assigned to students. This enrollment allows for asset management, as well as remote over-the-air updates of any PDLCS in-house apps that may be distributed to students. The server also alerts school administration when a tablet has had unauthorized changes made to any installed configuration such as removal of profiles or restrictions. Restrictions will be implemented on each tablet. CIPA-compliant Internet filtering will be installed similar to laptop filtering. This filter is a Web browser that replaces a tablet's default browser on PDLCS tablets. Devices like a tablet can be a valuable tool to encourage students to use technology to research, explore, and be creative. Such tools also fit the mission of PDLCS to, "offer a valuable educational alternative; to practice and promote academic integrity; to present quality curriculum, technology, and support; and to foster academic excellence in our students."

NETWORK SECURITY: Using the guidelines of the U.S. Children's Internet Protection Act of 2000, PDLCS has implemented a technology protection measure (Internet site filtering software) to prevent all users of the network from accessing inappropriate Internet sites. "Inappropriate Internet sites: include the following content: Anything that falls under at least one of the categories below shall be blocked/filtered. This list will be updated/modified as required.
